FIFTEEN CENTS

CHILDREN ESCAPE FIERY DEATH

A red headed High School senior, Ken Hart of 60 Brand Avenue is being credited by the Wilmington Police and Fire Departments with saving the lives of two children, last Saturday afternoon, in the Wilmington Plaza.

Ken, who is 18, and works part time at DeMoulas, modestly declines any spectacular deed. He was standing in front of the Anton's Cleaners Shop he says, just about 5 pm when his notice was directed to a 1961 Cadillac, all black, which was smoking. With him were Joseph Scifo of Wilmington and John Nadeau of Tewksbury.

Ken went to the car, he told the Town Crier and the back door opened and a girl got out. Then he went in and pulled out a two year old boy, who was lying on the back seat.

Immediately afterwards the car burst into flames and was soon a total loss.

The two policemen took the children into the DeMoulas Supermarket, and contacted their mother, on the public address system. She was Mrs. Paul Gagnon, of 290 South Street Tewksbury. The children - Christine, 9 and Paul, 2.

Ironically, it was a Tewksbury fire truck which responded to the alarm, as every piece of Wilmington apparatus was busy in Saturday's emergency. No. 2 truck of the Tewksbury Fire Department had been covering for

Wilmington in the Wilmington Fire House, during the emergency situation. It had been dispatched to fight a reported house fire, on MacDonald Road, and when the firemen radioed in that there was no house fire the truck was sent to the Wilmington Plaza because of the burning car.

Officers William Gable and Mickey McKenna of the Wilmington Police had passed the Plaza just moments before, going north

on Main Street. When the cruiser got up to the Wilmington Diner, half a mile north, they heard on the radio that there was a car fire in the Plaza.

Knowing that all the Wilmington fire apparatus was engaged in fighting more than half a dozen fires at the moment, the two men sped back to the Plaza. They arrived to find the boy on the sidewalk, his face all black from smoke, particularly around the eyes.

JULIETTE LOW GREETES YOU!

A MANIKIN OF JULIETTE LOW: Greeted the guests to the Baldwin Neighborhood Council display on International Living, in Villanova Hall, last Saturday. In the background, on the stage, are Girl Scouts from Troop 577, with an audience watching, and on both sides, out of camera range, were many booths, displaying arts and crafts of many countries, including Holland, Japan, Mexico, Switzerland, and of course, USA.

Fire Department was 'All Out' Saturday

It was every fire truck in use, last Saturday afternoon, plus what help the Wilmington Fire Department could get from Tewksbury, as the Wilmington firemen combatted ten fires in Wilmington, plus another just over the line in Reading. It all happened about 5 pm, in a period of high wind.

Many of the fires were reported to have started from a passing train. Not only were there fires in Wilmington, but also in Woburn, Billerica and Chelmsford, all from the same source, according to Wilmington firemen.

Scattered along the right of way of the Boston & Main Railroad, there were brush fires near Brewster's Lumber Yard, the Town Park, the Diamond Crystal Salt Plant, Sweetheart Plastics, and Shawsheen Avenue.

At the same time there was a fire on Concord Street, one on Federal Street, one on Hopkins Street, and one on MacDonald Road, which was at first reported to be a house fire.

Even the Ladder Truck was put into use, fighting brush fires.

Sunday Dump Hours?

Wilmington's Selectmen and Board of Health, Monday night, discussed the possibility of restoring Sunday hours, for the Wilmington Town Dump. It was, according to Selectman Danny Gillis, "a stand-off".

The dump is privately operated, by Clarence Spinola of Woburn. He operates under a contract with the town Board of Health. The contract is on a yearly basis, and

was recently re-negotiated. Under the new contract, the Selectmen were told, there will be no Sunday hours.

The Board of Health told the Selectmen that there would be a conversation with Mr. Spinola to see if the Sunday hours could be re-instituted.

Gillis told the Planning Board, Tuesday evening, that the dump being closed on Sundays was the "hottest item in years".

National Hospital Day next Sunday at New England Memorial

The Wilmington Board of Health is among the several organizations which are sponsoring the National Hospital Day observance, next Sunday, at the New England Memorial Hospital, in Stoneham.

Several health testing programs, for the public are to be in operation at the hospital, in the dining room area, from 1 to 5 pm.

Obesity Screening: Sponsored by the Wilmington Board of Health, conducted by an NEMH dietitian. Height and weight will be recorded, and diet information will be given to those participating.

Hypertension Clinic: For the second consecutive year, the Eastern Middlesex Board of Realtors will sponsor this clinic. Following a short lecture, the film "Understanding Stresses and Strains" will be shown. Nurses will be on hand to take blood pressure and resting-heart rate counts.

Dental Check: Local dentists will conduct this check to determine whether cleaning or professional care is needed for the teeth. The "patient" will be counseled to contact his dentist if such is indicated after examination.

Glaucoma Screening: Will be sponsored by the Stoneham Lions Club. They also participated last year by conducting a Lazy Eye Screening for pre-schoolers. Dr. Margaret Horsley, MD, Ophthalmologist, will direct the

testing, with the assistance of four ophthalmologists from the U.S. No. 373, Third General Hospital in Boston. The screening will include observation of the back of the eye, a test to determine eye pressure and use of an eye examination chart.

Vital Capacity Test: The second annual vital capacity test will be conducted by the Eastern Middlesex Respiratory Diseases Association. This breathing capacity test can detect early stages of emphysema, bronchitis or asthma. Participants who reveal 80 percent or less of the standard breathing capacity will be notified so that they may seek follow-up testing.

Breast Self-Examination Clinic: NEMH Auxiliaries will sponsor this clinic in conjunction with the American Cancer Society's Metropolitan Boston Unit Physicians will be on hand to give examinations by appointment. Those wishing an appointment may call 665-1740, Ext. 426. The examination is free. Also of extreme importance, instruction will be given in self-examination, and the film "Breast Self-Examination" will be shown.

Blood Test: For anemia will be conducted by the NEMH laboratory.

In addition to the testing programs, there will be information booths focusing on a variety of programs conducted by the hospital or local agencies: Five Day Plan to Stop Smoking, Dairy Council, Health Education, Family Planning, Medic Alert, Mental Health Auxiliary (Volunteers and Candy Strippers), Nursing, Atlantis, Atlantic Union College, Public Relations and Development - and refreshments!

Summer Head Start

Wilmington Public Schools will again operate a Summer Head Start Program for children who will be attending kindergarten or elementary school for the first time in the Fall.

Present OEO guidelines require that children from economically disadvantaged families be given first priority for enrollment.

All families interested in enrolling their child should call Joseph Connelly, Head Start Director at 658-3494; or contact the Woburn Street School where applications will be available.

Deadline for receiving applications for this year's program will be Monday, June 12th.

Harold Bishop, Officer of the Day, is shown with Mrs. Kelley.

Wilmington Public Schools NOTICE TO PARENTS

Registration for incoming grade one youngsters will continue throughout the month of May in schools presently housing first grades. Registration packets will be available during school hours for this month. If you did not register your child during the March registration, we urge you to take care of this important matter as soon as possible to insure your child's placement in September.

A reminder that birth certificates are mandatory and that the registration packets will not be given to you unless the birth certificate is presented.

As we have already begun to balance classes with the Superintendent of Schools, and anticipate completing this task no later than May 15, all those not registered on or before that date will be subject to placement where room is available, not necessarily within their districts.

Your cooperation will be greatly appreciated and will insure a pleasant experience for your child's first day in school.

Trackmen snap losing streak

JACK BARRY: On the left is shown in high hurdle action. Jack finished 2nd in the event with a time of 15.8 in last Monday's meet with Methuen.

The varsity trackmen snapped a three game losing streak with a 82-49 triumph over Methuen last Monday.

Coach Kelley's boys maintained an edge in first (44-30) and second place (31-12) points while each club picked up seven points each in third place finishes.

Gaining valuable first place points were: Bill Badiali (shot and low hurdles); Jack Barry (high jump, 440); Bruce McMillan (long jump); Steve Holloway (pole vault); Bruce Bishop (discus); Doug Spring (1 mile) and

the relay squad of Rick McCulley, John Virtus, Bill Waller and Bruce Bishop.

Coming up with seconds were: Marcel Deveau (high jump and long jump); McMillan (triple jump & 220); Rick Barry (880); Bill Waller (100); Jack Barry (high hurdles); Badiali (discus); Rick Keane (2 mile); and Leo Campbell (shot put).

Larry Singelais, Rick Marasco, Rick Barry, John Virtus, Rick McCulley and Paul Fitch picked up single points each for third place finishes.

STEVE HOLLOWAY: Goes up and over on his way to winning the pole vault in last Monday's win over Methuen. Steve's winning vault was 9'-0".

John Gillis collects double for Austin Prep

Austin Prep's baseball team's three game win streak was stopped by Marian High of Framingham last Thursday.

Bill Turner of Wilmington, Austin's starting pitcher "gave it his all" but was relieved by Perrell of Arlington who also met with little success.

John Gillis of Wilmington and Perrell of Arlington collected doubles for the only extra base hits for the Reading Prep School.

Marian came up with a big 10 run second inning and added a pair in the third gaining a top-sided 12-7 victory over Austin.

BRUCE BISHOP: Swirls as he releases discus to gain a first with a toss of 122'-0" in the Wildcat's win over Methuen on Monday, May 1st. Curious onlookers seem concerned with Bruce's form.

Pete Emery MVP of No-check hockey League

Last Saturday evening at their year-end banquet the WAHL announced their first and second team all-star selections. In making the awards league director Jack Cushing noted that the players were selected by their peers and this was well received by those in attendance.

Most valuable player award went to Pete Emery. Pete was also named to the first team defense along with Gerry O'Reilly. In goal was Jim Newhouse.

The forwards included Dave Carlson and Len Galvin at the

wings and Ed Buckley at center. Goalie Walter Neal led the second unit along with defensemen Jim Jillett, John Gennetti and Jerry McPhee. Forwards were Jack Garden, Pete Pellerin and Earl Phillips.

In the final statistics released by the league it was noted that Pete Emery won the scoring crown with 133 points (89 goals and 44 assists). Rounding out the top five were Ed Buckley (98), Snooky Lynch (82), John Gennetti (69) and Pete Pellerin (56).

Wildcat nine in three-way Tie

The Wildcats moved into a three-way tie for second place in Merrimack Valley Conference action splitting their two most recent

outings. Last Thursday the varsity lost to their arch rivals from Tewksbury, 10-3 with senior right hander Tom McGinley taking the loss in his

initial mound appearance of the year.

Monday afternoon Coach Gilligan's boys bounced back in their first road encounter topping the Indians at Billerica 3-1 behind the five hit pitching of McGinley. The Wildcats drew first blood in the second inning on the strength

of a home run to center field by Wayne Crosswell. The eventual game winning run came in the 5th frame with Dave Stewart singling home Tom Aprile, who had singled and advanced to second on an error.

Billerica closed to gap to one run with a homer by their pitcher in the last of the sixth. However, the Wildcats pushed home an insurance run in the top of the seventh as Artie Bibeau reached on a 2-base error, stole third and scored on an errant pick-off attempt.

The jayvees defeated Tewksbury 6-5 and Billerica 9-2 and are now 2-1 on the season. Meanwhile the freshmen lost their seasonal opener 2-0 at Billerica on Monday.

UPCOMING WILDCAT ENCOUNTERS

Saturday: Boy's freshmen and sophomore track meet at Methuen (9:00).

Shawsheen River canoe Race

The Shawsheen Watershed Association will sponsor a canoe race on Saturday, May 6th at 8 am. The race will begin at Akeson Park, Route 3A in Billerica and will run approximately 4 miles on the Shawsheen River, finishing at the Knights of Columbus Hall, Route 38, Tewksbury.

There will be classes of entrants Juniors, under 15; Seniors, over 15 and Junior and Senior combinations.

All Juniors must wear over-the-shoulder life preservers, while cushion preservers will be sufficient for the Seniors. The entry fee will be \$1 for Juniors and \$2 for Seniors.

Prizes will be given to top finishers in each class. For further information and registration, call George Rushton, 658-2007.

Squirt B's learning by Experience

The Squirt B's lost another contest last weekend, 7-0 to Wakefield. Wilmington held the formidable opposition to only three goals during the first half of the contest. This may indicate that the practically all new team of ex-sprite recruits are developing as expected and are learning the game by a fair amount of painful experience.

The next game is this Saturday at Melrose Hockey Town against Winchester in a 7:50 pm faceoff.

ON DEAN'S LIST AT VIRGINIA TECH

Carol A. Frost, daughter of Mr. and Mrs. William Frost of Lowell Street has been named to the Dean's List during the winter quarter at Virginia Tech's College of Arts and Sciences.

To make the Dean's List, a student has to make a 3.4 average or better in the University's 4.0 grading system.

From the standpoint of both economy and ecology everyone agrees that it is better to have one busload of people go to Boston than to have 40 or 50 automobiles. It makes sense.

But the people of Wilmington insist on riding on the train, or using their cars. They don't want to ride the bus. They didn't when the bus was an Eastern Middlesex Street Railway operation. They don't want to, today, with the MBTA. There is an hourly service, conspicuous for its lack of riders.

It is safe to estimate that the taxpayers of Wilmington are paying \$100,000 a year for those nice shiny buses. That's almost enough money to pay for a couple of class-

rooms.

A few years ago the Town of Tewksbury voted to get out of the bus business, with the MBTA. That vote was accepted. Last year Wilmington so voted. But - nothing happened. The buses still go through Wilmington to the Tewksbury line, and turn around, to return to Boston. The taxpayers of Wilmington pay for this, and against their will.

To judge by the news coming out of Boston, the buses will continue to service Wilmington, even if the train service should be discontinued the first of July.

That would be a tragedy of sorts. Perhaps the Selectmen should ask some questions.

The First House

So there is no doubt of the building having been in existence at that time. The road still is - now it is Mill Road.

There are three other possibilities.

By reputation the home of Abram Jaquith was built in 1665, near Aldrich Road and Forest Street. This was then a part of Billerica. To the knowledge of the writer the date of his home has never been proven.

In North Wilmington Richard Harnden was supposed to have built his home as early as 1665, in land that was then a part of Reading. The writer has found no proof. There is a record in the Lowell Registry of Deeds, together with a signature, which is dated 1667. That seems to be the earliest.

The old Tweed-Manning house, which was in existence a few years ago, on Ballardvale Street, is supposed by some to have been in existence as early as 1666. It was probably built later.

As far as available records go, the home of Will Butter was the first. But it still is not proven.

There is a record of a Town Meeting in Woburn in 1665 which speaks of a road over Wood Hill to the home of Will Butter.

A CHECK FOR \$10,000: Was given to the Conservation Commission, for the Town of Wilmington last Thursday, to help pay for the purchase of the old Winn Cranberry Bog, near the Glen Road School. The cranberry bog was bought by the town in the last annual Town Meeting, for Conservation purposes.

L to R: Frank Columbo of the Conservation Commission; Town Manager Sterling Morris; Matthew Connolly of East Sandwich, state director of Conservation Services; Mrs. Ursula Leahy of the Conservation Commission, who is receiving the check, and Nancy Kaufman of 120 Lake Street, Conservation Commission.

A Putnam winner for 1972.

"Marblehead: The Spirit of '76 Lives Here" by Priscilla Sawyer Lord and Virginia Clegg Gamage: For local and regional history buffs - a newly welcomed, history of Marblehead.

"Ghost Towns of the West" by the editors of Sunset Books: A pictorial guide to towns and mining camps that opened the west. Bizarre events are all brought to life in this modern compilation of old-time photographs, prints, maps, family portraits, utensils, machinery, and relics.

"Goddess Abides" by Pearl S. Buck: Recently widowed Edith Chardman finds new resources and varieties of love in younger Jared and older Edwin. How she resolves her dilemma forms the basis of this insightful romance for some light escape reading.

"Good Old Days Cookbook" by Beth Tartan: Another bit of nostalgia emanating with the savory sights, sounds and smells of an old-fashioned kitchen. No less welcome and enriching than the recipes are the quaint, evocative illustrations of a by-gone era and the marginal notes of long-forgotten but happy memories.

Letter

Dear Larz:

I am writing this letter to you concerning the United States bombing the north. I hope you will be able to print this in your paper. I also hope that people will see how some servicemen feel about the bombing of the north. I'm currently in the US Air Force serving a one year tour in Vietnam. I would appreciate it if you do print this to leave my name and rank out due to the fact that I might receive unfavorable vibrations from the Air Force.

Due to the stepped up activity in the Vietnam War, the US has increased the bombing of the north which seems to be the main topic in the States. It seems to me and to a great many other servicemen that students and the older generation are saying "stop the bombing". In case these people don't know it, it is this bombing that is keeping the north from giving American bases one heck of a time.

Here we are in a Communist offensive equal if not larger than the one of sixty-eight and people want the US to stop the bombing! Well, if we ever to, I hope the north pulls back. I think the people in the States feel that once a truce is called like at Christmas all fighting stops, well I hate to change their wonderful world, but things aren't that way. Do the people back home think that once a truce is called we throw our guns down and all have a party?

No, it isn't that way, the north keeps penetrating the south and setting up their rockets and other equipment to launch at bases in the south. To me and many other servicemen it seems nobody can be bothered with us except our wives and families at home. Thank God for what I have left behind in Wilmington.

How many people know exactly what is happening over here? It must be nice to look out from behind rose colored glasses and say that's too bad or that's nice, but before people speak out against the bombing think of us over here! Granted we've been here long enough, but let's not be hasty, let all of us come home alive.

I think the gripe of most servicemen is that everybody is protesting but they don't have all the facts. Either they know or they too involved in their own world to look out at us. When people gripe think of everybody involved not in just how you feel. It isn't nice over here and we would like to be home like so many other men my age whose parents managed a trick or two. Parents aren't around forever, but some men will wake up and won't like what they see.

Thanks a lot for listening to me blow off some steam. Would like to close with the thought of students protesting in the US about our bombing of the north. I also hope that North Vietnam's students are protesting the invasion of the south.

No, everything isn't peaches and cream!!!

SUCCESSFUL WINE TASTING PARTY AT ROCCO'S

A Wine Tasting Party sponsored by the Lions Club was held recently at Rocco's. The program was presented by Norman J. Martin, wine connoisseur who was assisted by David Otti and John Infanzier.

Co-chairmen of the event at which nearly one hundred people were present were Rocco DePasquale and Ken Spinnelli.

Those in attendance were given an opportunity to taste some of the finest wines from various countries throughout the world. As the wines were presented for tasting, Mr. Martin described them, their uses and proper serving.

Slides were shown as visual accompaniments to the program, depicting the story of wine from its beginning, throughout the various states of its processing and finally, its shipping for merchandising purposes.

SOMEONE SHOULD TELL RICHARD NIXON OF THIS: There were over 100 guests at the Congregational Church, Saturday evening, to enjoy an authentic Chinese dinner, prepared by the Rev. Dr. Peter Shih and Mrs. Shih, of the Chinese Christian Church of Boston. The diners were given choice of chopsticks or regular knives and forks.

Fred Robbins of Tewksbury was one of those who used the chopsticks, and perhaps the most expertly. He also consumed, as the reader can see, his food with gusto and relish.

Nosey Nancy

Send your announcements to Nancy Box 208, Wilmington or call, after five, 658-4865. If I'm not there, I'll call you.

Hello there! So Spring finally arrived this weekend and this Chick still isn't unbent from the stint in the garden, so if you see something looking like an ape strolling down the strip, stop and say hi, cause you know who it'll be. But, it was fun. She likes to work in the yard when she can sneak the time.

Did you see the fantastic job those Town Lads did on the cleanup collection and all those helpers. That's really teamwork. Too bad we couldn't do it in the fall too - and she really is glad to note that lots of other people collect junk - by the looks of those stacks on the sides of the road. Glad she isn't the only New England Collector in Willie!

Dapper Harold McKelvey talked with the Gal on the phone after the message last week, and is now home again, snug in his bed and doing fine. Take it slow there Harold, so we'll see that face on Memorial Day anyway. That's the Box!

That Honor Society Banquet was something last week at the North Intermediate School, and we wonder if others noted how that group stood out in personalities and characteristics. It was wonderful to see so many young people doing the great things, and the Methodists should really be puffed up with the showing they made from that MYF group.

Congratulations all of you hard working young people. No one knows more than this Gal how much character and individualism it takes in the present day and age to do the Honor Society Thing!

More power to you all. Certainly am proud to have a Clark aboard!

Did you know that Ann Veloza of Beauty Lounge in North Wilmington has set aside two special days - Wednesday and Thursday just to do the heads of those Golden Agers at special rates just for them? That's great Ann. That Girl has talent, let me tell you. She can cut the wire on this Gal's head, so it looks like it's supposed to be that way, and that takes some doing! let me tell you!

Also she heard by the grapevine that she has engaged a young man in the hairdresser business. Perhaps he's Andre or Pierre or Armand - Anyway will have to see this - righto - Let's go. Gals Troop - Troop.

Talk about early dates. That Donna Seidel is on the ball. She called this Chick at the fortress last week cause she wanted to book a date for September 30th. Well, probably a good thing the way things have been going lately, she's lucky to get home to her change of clothes - if she can find them, that is!

Those Gals on Lowell Street are also doing this old Ma proud. Liz Andersen and daughter Sheryl made the Dean's list at Northern Essex, heard tell. That means pushing and prodding for that Liz was right, and am this Gal ever happy about that one - Keep up that good work there Kids!

Don't forget the weekly drawing at Stitches 'N Knit - also the 42nd Anniversary door prize at Sweetzy's Home Courtesy Center.

Speaking of local firms - the president of Smithcraft got the business last week - the business that should have been going to Big Joe's Sub Shop in the center. TC got the numbers switched and Smithcraft was receiving all the orders for the clam plate special advertised by Joe.

That New England Memorial Hospital in Stoneham is really trying to be a community hospital - in more ways than one. In observance of National Hospital Week, beginning Sunday, they are having open house from 1 to 5 pm and have 8 free screening tests which all of you are invited to participate in. Willie's Board of Health is sponsoring the Obesity Clinic and others are listed elsewhere in the paper, such as eyes, cancer, anemia.

And on 5 days from May 14th to the 18th at 7:30 pm they are sponsoring a 5 day stop smoking clinic. So we should be the healthiest people in Mass - Lets go!

Roy Brogan of Eames Street will be celebrating his 70th with a cook-out on Sunday - understand that Roy Jr. is flying in from Florida to be with Dad on this important day - Congratulations to Sr. and to you Jr. - what a delightful thing to do for Dad!

Claire Donahue of Crest Ave. is a patient at Winchester Hospital according to the young fry -

get the cards going Gals.

Summer's coming - a word of caution - don't let any swimming pool company salesman convince you that you don't need a permit - you certainly do! All Building and Zoning Regulations must be complied with - the responsibility is yours!

Tom MacFeeley of Burnap St. was honored recently by the Greater Lowell Council of Boy Scouts - he received an award in appreciation of his efforts in staffing the Den Chief's Conference.

At Camp Merry Meeting - one of the Girl Scout Day Camps run by the Merrimack River Girl Scouts has positions available for Jack and Jill Unit Leaders - also the Brownie, Junior and Cadette age level - Nature and Aveahy Unit Leaders - for more info call Jean Foley at 658-3718.

Understand that Harold Foley is out and around again and that Dave Blackman of Monroe Paper is still a patient at Winchester - and come on gang - Dave is in need of blood donors!!

Did you know that according to a recent census, more people in Middlesex County cook with gas than electricity! - Yup, 244,322 households prepare meals on gas stoves - that's cooking with gas huh?

Teenagers will be collecting house to house on May 6th and 7th for the Danny Thomas Alcoso Drive for St. Jude's Hospital.

If you planning to attend St. Dorothy's Sodality Banquet you better get on the ball and get those tickets - none will be sold after May 15th - 658-6856.

Oops - also this Sunday, the Crusaders and Swordsmen will be selling candy house-to-house. If they arrive at your door along with the youngsters collecting for St. Jude's - treat them kindly they probably didn't mean to coincide.

Congratulations to Rebecca Baldwin of the North Intermediate - Jan Jordan huh? - Good for you!

George and Peg Arsenault welcomed to their home in Norfolk, Virginia a new daughter, Kristie Marie at 2 am on April 24th, and that small one weighed in at 9 pounds. Congratulations to you three and this Gal is looking to see that wee lass when you get back to Willie - She loves those babes! - Now cards to George and Peg - Mr. and Mrs. George T. Arsenault Jr., 9537 6th Bay St., Norfolk Virginia, 23518 is the ticket!

Pee Wee A's in third Win

Coach Don Rossi's pucksters skated to their third win in four starts in spring league action at the Arena last Saturday topping Tewksbury, 5-1 with a well balanced team effort.

Greg Moulton opened the scoring for the Pee Wee's at 1:49 of the opening stanza when he took a Steve Foley pass at the red line and skated around a Tewksbury defenseman to beat the opposition's goalie for a picture goal. Tewksbury tied the score at 8:13 of the period. Mike Carlin scored the only goal of the middle stanza at 5:09 on a pass from Ron Marasco giving Coach Rossi's skaters a commanding 2-1 lead.

In the final period the boys exploded for three goals and only some excellent goal-tending by the Tewksbury netminder prevented a complete rout. Brian Tighe scored the third and fifth Wilmington goals, while Tom Gracia netted the fourth. Tighe's first score came at 3:40 of the frame with Ray Robson and Jav Walden assisting. Six minutes later Gracia scored with assists going to Paul Sullivan and Tom Bavota.

Tighe concluded the scoring at 11:38 when he blasted home a power play goal with Marasco and Steve Foley assisting. The Pee Wees will be in action this Saturday evening at the Youth Arena.

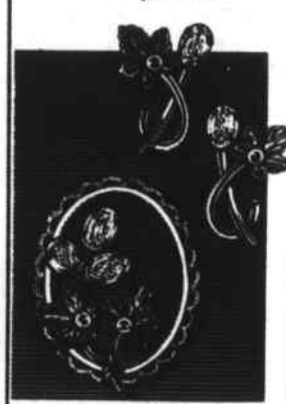

Face-off is listed for 6:50 pm for the North Reading game.

Dr. Farello's book available at the Library

The Wilmington Women's Club has recently donated a copy of Dr. Elene Farello's book "A History of Education of Women in the United States" to the Memorial Library.

Dr. Farello is Wilmington's public school Science Supervisor and chairman of the Science Department at the High School. She has been a most influential part of Wilmington's school system for many years.

Her highly acclaimed and impressively researched work traces the education of women not only from ancient times, but more particularly from colonial days to present developments which have brought women, through education, to the forefront of all professions in the US today.

The author traces the periods of American history as they brought about the necessary changes in thinking, attitudes, con-

ditions, and actions toward achieving the goal of women's influential educational role in American society as a whole. Brief biographical sketches of some of the most prominent women in many fields are also given as additional proof positive of the great advances made in women's education.

The library is most appreciative of this latest gift book.

SOCCER TEAM TIES AGAIN

Last Sunday the Wilmington Recreation Soccer team tied Wayland 1-1 here in Wilmington.

The only score for Wilmington was provided by Barry Aruda who has 5 goals so far in the season with an assist going to Bob Swisher.

Howie Coombs played another outstanding game in goal for Wilmington with Tom Aprile having another steady game from his defense position.

The team is now in second place in their division with a 1-0-2 record.

The next game should be a tough battle as Newton comes to town on Sunday for the 2 pm showdown.
